Workshops for the Educators of Young Children

Joyce Poe and Jeannine Aristeguieta

Share some of your favorite spring time books and experiences with your students. Brainstorm with your students some of the things they see during spring and some of the things they like about spring. Your song adaptation might go a little something like the one below . . .

I Love the Mountains

I love the mountains

I love the rolling hills

I love the flowers

I love the daffodils

I love the fireside when all the lights are low

Boom-dee-ah-da, Boom-dee-ah-da,

Boom-dee-ah-da, Boom-dee-ah-da

I Like the Spring Time

(I love the Mountains Adaptation)

I like the spring time

I like the warmer days

I like the raindrops

I like the buzzing bees

I like the bluebonnets blooming on the hillsides

Boom-dee-ah-da, Boom-dee-ah-da,

Boom-dee-ah-da, Boom-dee-ah-da
