Workshops for the Educators of Young Children

Joyce Poe and Jeannine Aristeguieta

Share some of your favorite farm books and experiences with your students. Brainstorm with your students some of the animals they see and hear on the farm. Your song adaptation might go a little something like the one below . . .

I Love the Mountains

I love the mountains

I love the rolling hills

I love the flowers

I love the daffodils

I love the fireside when all the lights are low

Boom-dee-ah-da, Boom-dee-ah-da,

Boom-dee-ah-da, Boom-dee-ah-da

Down on the Farm

(I love the Mountains Adaptation)

What does the pig say?

What does the cow say?

What does the duck say?

What does the horse say?

I hear the animals down on the farm.

Oink, oink, moo, moo, quack, quack, neigh! Oink, oink, moo, moo, quack, quack, neigh!
